RECYCLED TREASURES JEWELLERY

**MAKE EXTRAORDINARY
OUT OF THE ORDINARY!**

How many beautiful memorabilia items and other trinkets have you gathered from your life and travels? Come and explore different ways to incorporate these fun and meaningful items into wearable art. As part of the workshop you can learn how to make a bead with some antique lace, or how to incorporate an earring, photo or other item with special meaning into these beautiful collage pieces.

If you can Ara would also love you to bring to donate any unwanted broken jewellery, beads, chains, pieces of yarn, lace, odd washers and nuts etc that are of no use to you.

The older the better.
